winner 2018 Mercedes-Benz Design Award by Broadsheet

Winner of the 2018 Mercedes-Benz Design Awards, Stack combines the functionality of several living room objects into one simple yet refined product - a lamp, a bookshelf and a side table.

Crafted from solid natural timber with seamlessly integrated wiring, Stack is a thoughtful, timeless and unique object that simplifies home-living.

Its sculptural plywood shade creates soft, diffused light, gently illuminating its strong and defined structure.
