

FRAC

Matteo Zorzenoni

cappellini

Frac is a small armchair wrapping up whoever sits there with its soft and winding lines, like a tailor-made suit, hence its name. Made in plastic materials with rotational technology, it is perfect for outside purposes, but it also fits in houses or public offices and is available in a wide colour range.

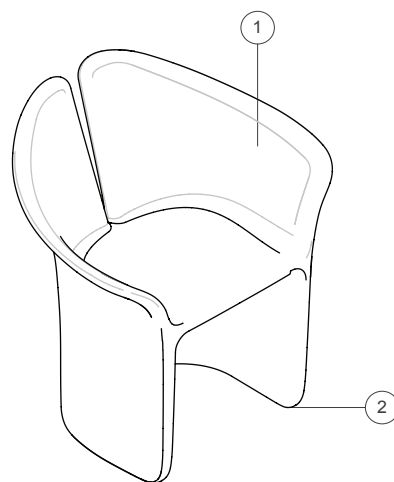

Materials used_

Structure:

1. Colored linear polyethylene, finishing in Mud, Powder pink, Sage green, Magnolia, Cloud, Marsala
