bilgola

by Adam Goodrum, 2016

Inspired by the Australian modernist architecture prevalent on Sydney's Northern Beaches, Bilgola is a lightweight collection of furniture that includes a lounge chair, coffee table, dining table and chair, dining bench and daybed. Modern and versatile, the chair and sofa designs feature an exposed linear frame, paired with a canvas sling support and voluminous cushions. These pieces are stackable and appropriate for residential and commercial use.

adam goodrum

A firm believer that every environment is defined by the objects within it, Adam Goodrum designs with the philosophy that an object must therefore justify its existence – through its story and detailing. For this reason, his designs celebrate process and craftsmanship, and accentuate components and joinery to create functional pieces with spirit and personality.

In recent years, Goodrum's work has been awarded a host of design accolades including the NGV Rigg Prize, Vogue x Alessi Design Prize, Indesign Luminary Award and the Idea Awards Editor's Medal. He has also been commissioned to design pieces for several global luxury brands including Veuve Clicquot, Alessi and Cappellini.
