A place to rest, retreat, recover. Harbour awaits your return. Harbour feels like home.

Superior quality and incomparable comfort characterise the Harbour collection by Adam Goodrum. From the structural bows crafted from solid timber, to the leather strapping that is latticed by hand, Harbour is an homage to craftsmanship. Its handwoven papercord frame, which nods to Scandinavian craft traditions of the 50's and 60's, creates a sculptural silhouette that is both inviting and supportive. Its softly curved structure echoes the rounded form of the pillows within, creating comfortable nooks that encourage long and lasting calm. Refined yet humble, the Harbour collection includes an armchair, sofa and bed.

A firm believer that every environment is defined by the objects within it, Adam Goodrum designs with the philosophy that an object must therefore justify its existence – through its story and detailing. For this reason, his designs celebrate process and craftsmanship, and accentuate components and joinery to create functional pieces with spirit and personality.

In recent years, Goodrum's work has been awarded a host of design accolades including the NGV Rigg Prize, Vogue x Alessi Design Prize, Indesign Luminary Award and the Idea Awards Editor's Medal. He has also been commissioned to design pieces for several global luxury brands including Veuve Clicquot, Alessi and Cappellini.
