## Pacha Outdoor Lounge Chair with Armrests, Swivel

Designed by Piere Paulin - 1975

### ITEM NUMBER

Pacha Outdoor Lounge chair	45228
Pacha Outdoor Lounge chair - swivel	10652

### DESCRIPTION

The widely beloved Pacha Lounge Chair was joined by a number of Paulin's other designs, including a version with armrests, the Pacha Ottoman and the Pacha Sofa – available in modular configurations. All have now been revisited and reinvented for this outdoor collection. With a small footprint, the Pacha Outdoor Collection can be clustered in different combinations to suit the scale of the outdoor space as well as the style and atmosphere of the setting.

Designed for durability, the Pacha Outdoor Collection features a specially developed membrane interlayer that is both water-resistant and breathable to ensure quick drying after exposure to rain while maintaining the indulgent comfort of the iconic original. The full swivel base is made from moisture-resistant material to provide increased protection in humid conditions. A removable rain cover offers further protection from the elements so, as soon as the rain clears, you can sit among the clouds once more.
