rené linssen

nau is a contemporary design brand, offering
furniture, lighting, and accessories by a collective of
Australia's most curious and talented designers.
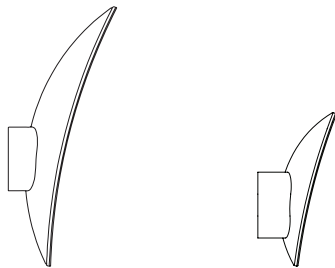

luna

by René Linssen, 2021

Luna, meaning 'the moon' in Latin, is a sculptural wall hook with a minimal aesthetic, inspired by the rounded curve of a crescent moon. Its soft, organic form enhances the qualities of the natural timber grain to create a sculptural object that invites the hand and complements the wall. Sturdy enough for coats, hats, and bags, Luna is available in two sizes, allowing for visual contrast and creative configurations.

variations & dimensions

luna

Finishes: Oak, Walnut, Black Stained

Dimensions: 225D x 225W x 190H mm

rené linssen

Based in Canberra, Australia, René Linssen is an industrial designer who loves finding ways to improve people's lives with products that satisfy a need and are aesthetically pleasing at the same time.

He has worked in the design industry for over a decade, with diverse experience across sports, outdoors, homewares, government and high volume commercial and residential applications with an emphasis on local manufacturing. He also acts as a sessional lecturer for the Industrial Design program at the University of Canberra.

René has won several national design awards including Vogue Living / Alessi Emerging Designer Award (2015) and Belle / Alessi Design Award (2017). He was also a finalist in the Mercedes-Benz Design Award (2018).
