

# Plan Armchair

Designed By Edward Barber & Jay Osgerby, 2024

With its surprisingly minimal footprint and generous comfort, the Plan Armchair is ideal for modern spaces that invite a variety of uses, from extensive hospitality and office applications to everyday living. While sturdy and tested for extreme public use, each component of the Plan Armchair is prepared for end-of-use disassembly and ease of possible future reparations - designed to last in a circular economy. Plan Armchair successfully balances industrial elements and soft humanistic curves with its materiality, tactility, and crafted details.
