

Boardwalks are an iconic feature of Australia's east coast, connecting us to nature and enriching our lifestyles. Whether wandering through Urunga's mangroves, whale-watching south of Sydney, or exploring Merimbula's oyster farms, they inspire connection and discovery.

The Boardwalk Collection channels the deliberate, flowing forms of these timber pathways into versatile furniture. Combining solid wood, light-filtering rattan, and plush upholstery, it blends coastal elegance with everyday functionality. From dining tables to chairs, each piece balances robust craftsmanship with inviting design.
